

**WESTERN COMMUNITY COLLEGE AREA  
BOARD OF GOVERNORS  
RESOLUTION**

WHEREAS, Western Nebraska Community College is desirous to create a Wind Energy Training Center in Sidney, Nebraska, and

WHEREAS, the establishment of this training center in western Nebraska will provide wind energy related employment, economic development, and an increase in wind energy contribution to the U.S. electricity supply.

NOW THEREFORE, BE IT RESOLVED that the Western Community College Area Board of Governors, does hereby support the establishment of a Wind Energy Training Center at Western Nebraska Community College, Sidney Campus.

The establishment of this Wind Energy Training Center will provide educational training necessary to meet the needs for wind energy development. The training center will also contain a wind power technician program that will add economic benefit not only to employment, but also economic benefit to western Nebraska by providing means of encouraging construction jobs and continuing employment in the wind energy field.

The establishment of a Wind Energy Training Center in Sidney, Nebraska, will also increase the local tax base by encouraging the creation of local commercial projects which will produce clean energy.

PASSED AND APPROVED this 18<sup>th</sup> day of November 2009.
